Left-----behind  
Lifted-----above  
Money-----rising  
Wages sinking  
Names-----gilded  
Voices-----muted  
Doors-----open  
Doors-----locked  
Crowns-----assigned  
Crowds-----ignored  
Power-----climbing  
People-----kneeling  
But  
Blood----warm  
Bones-----fragile  
Hearts-----breaking  
Hearts-----mending  
Fears-----shared  
Dreams-----shared  
One-----breath  
One-----spark  
Same-----pattern  
Same-----pulse  
Same-----species  
Same helix
